Faculty / Department:	
Names of all members of the application group:	
Application filling date:	

Due to the high number of incoming applications, individual justifications for selection decisions cannot be given. This is extremely relevant because it is usually dealing with comparative testing and evaluation procedures. Furthermore, no interim decisions may be given during the selection process.

A legal claim to funding does not exist.

I hereby accept the above-mentioned conditions. I also assume the role of spokesperson during the entire application process to communicate with the KNU and inform all members of the application group on the status of the selection process.
